Ref: Appointment as Research Associate at the Center for Natural History (CeNaK) Hamburg, Germany and Zoological Museum Hamburg

Dear Professor Das!

On behalf of CeNaK, I am delighted to appoint you as Research Associate at CeNaK, University of Hamburg for a period of three years until 31. Dezember 2020. Based on your previous collaboration with our Dpt. Herpetology we believe that your research interests match match the research aims of CeNaK very well.

As a Research Associate you are entitled to study the scientific collections of the Zoological Museum. Should you visit our collections, we will grant you the privilege of using appropriate office space, IT services, and library services. Lab space can be granted too upon proper prior agreements.

We'd be glad to see you acknowledge your Research Associate status at CeNaK in your scientific work whenever appropriate.

Yours sincerely,

Prof. Dr. Alexander Haas

(Deputy Director CeNaK)
